Great job. I really appreciate everything you did today to help with our communication.

Based on your conversations, was there any District where you think it would be good for one of us to follow-up with the APCO? I've already put in a couple of calls (Michael and Laki), but haven't actually spoken with anyone yet.

Just wanted to follow up and let you know who I spoke with today:

- Webster Tasat – CARB
- Ali Ghasemi – planning manager at Ventura
- Sondra Spaethe – Feather River planning manager (part of Sac Metro NAA)
- David Yang – Sac Metro planning manager
- Joe Fish – Deputy APCO Northern Sierra (Western Nevada NAA)
- Left VM for Yoshuo Chang – planning manager at Placer (part of SacMetro NAA)

- Left VM for Zorik Pirveysian – planning manager at South Coast (but I think Zorik was in touch with Tom Kelly)

Still need to call: El Dorado and Yolo Solano (both part of SacMetro)

Elizabeth,

With Amy out, I think I should probably call Laki Tisopulos (Ventura) re: the letter today. Are you ok with that?

I spoke with Anita and she is talking with the Sac Metro planner, so I may or may not want to call Alberto. If you have any thoughts on that, please let me know.

Matt
